

**SOUTHERN BREVARD TRAILS MASTER PLAN**  
**STAKEHOLDER SCOPING MEETING AGENDA**  
**MARCH 2, 2023**

**1. Introductions**

**2. Project Goals**

- i. Develop a comprehensive trails network for Southern Brevard
- ii. Engage with major stakeholders and community members to develop a vision for the trails network
- iii. Classify the trails network into primary and secondary trail segments, and tertiary connections to neighborhoods and activity centers
- iv. Prioritize the trail network in short-term, mid-term, and long-term timeframe
- v. Document guidance on design of trails for different users such as hikers, bikers, and equestrians
- vi. Identify regional trail connections to Indian River County
- vii. Identify policy recommendations and funding sources for implementation
- viii. Perform feasibility studies on potential trail alignment(s) with the goal to get a trail project ready for local jurisdiction to take into design

**3. Study Area and Trail Scope**

- i. Study Area – Palm Bay, Malabar, Grant-Valkaria, Unincorporated Brevard County (south of Palm Bay Road and west of US 1)
- ii. Trails – Showcase Trails, SUNTrails, OGT Trails, other trails/shared use path recommendations in local plans, and new trail recommendations

#### **4. Public & Stakeholder Engagement**

- i. Advisory Committee
- ii. What public involvement methods have worked the best in your area?
- v. Final Presentations: Palm Bay City Council, Malabar Town Council, Grant-Valkaria Town Council, and BPTAC, TAC/CAC, and TPO Governing Board

#### **5. Next Steps**

- i. Continued Scoping Revisions
- ii. Anticipated Project Start – May 2023

#### **6. Questions & Discussion**
